Battle is joined!

Dear Supporters and Friends,

We sense that battle has been joined! As we contemplate moving out of lockdown in several of our regions, and evaluate the prospect of a number of mission trips, we send you heartfelt thanks for your faithful prayer for MMI over the last 14 months of lockdown. I also want to testify to the Lord's amazing care for us; His guidance and leading these past months; and for what He has taught us and what He is leading us into. Whilst it may be possible to travel in Europe again soon, we have joined the spiritual battle raging over India and Nepal and many regions of Africa. We are also addressing the distinct possibility of an Alpha Course across our regions, and specifically a bespoke Alpha Course in Arabic, led by a trained pastor in the Middle East. And it grieves us to witness the conflict between nations in our regions, about which we are committed to pray.

Lockdown will lift sequentially across the globe but it may be many months yet until we can engage directly in mission trips, particularly in Africa and Asia. Nonetheless, we sense the →

spiritual battle hotting up in all our regions and I believe the Lord is calling us to intercede fervently. There is much work to be done in the heavenlies whilst we cannot 'go'. I am greatly enthused by this, as I believe that, as we redouble our focus on prayer, we will see the Lord break through in ways and in areas we cannot properly imagine. Praise his name!

God has been preparing the MMI team. Following the injunction of Hebrews 10:25, we have met weekly (now fortnightly) on Zoom for Bible study and prayer since April 2020. We have grown close together and very synchronised in prayer and sense of mission. It has been beautiful, and each meeting has been a joy, often with unexpected blessings as we have studied the Word together. I believe one of the results of this is a fitter spiritual combat team in the hands of the Lord. We are willing and enthusiastic but, I trust, not presumptuous.

There are significant battles ahead and we know that, if we wish to see the Lord's Kingdom Come, there is striving to do in the heavenlies. We also have

much to learn. The team will update you in the articles that follow and, as you read, please join us afresh in the spiritual battle, not in fear but in the power, love and sound mind afforded by the Holy Spirit (2 Timothy 1:7); in the boldness and preparation in the Word required of Joshua (Joshua 1:6-9); with our armour fully on, clean, in working order (Ephesians 6:10ff); and remembering that the weapons the Lord has given us are mighty to the pulling down of strongholds (2 Cor 10:4-6). When we are equipped for battle, there is great freedom operating in the will of God= and power of the Spirit, surrendered to Jesus.

We are praying the Lord's cover over us in accordance with Psalm 91 and Deuteronomy 33:26-27. Although Satan is roaring around like a lion, seeking whom he may devour, our God is on the move and we know on whose side we stand and who has the victory.

This is what the LORD says to you: "Do not be afraid or discouraged because of this vast army. For the battle is not yours, but God's. Tomorrow march down against them." 2 Chronicles 20:15-16. ●

In all things God works for the good of those who love him

RTL EUROPE REV GROZDAN STOEVSKI

Like most charities and ministries, the work of MMI has been heavily affected by the Covid-19 pandemic and most of our activities have gone online. We do know that 'in all things God works for the good of those who love him' (Rom 8:28), and this Scripture has proved true for our ministry in Europe as well.

Over the last year, we have had ten online monthly European MCF leaders' meetings, with an average attendance of 20-25 from across the region. At each meeting we have had a guest speaker, including Maj Gen Roddy Porter, Brig Mark Leakey, Rev Mark Chester, Col Eric Mandille and others, followed by a Q&A and ending with a sweep of short prayers across the screen. These online meetings have really helped maintain the network of believers, have provided people with the opportunity to have fellowship, to

encourage others, to be encouraged and to share prayer needs.

European Military Christian Meeting (EMCM)

These monthly meetings gradually built up to the EMCM, our annual European Conference, on 24th April which, like last year, had to be online. The plus side of meeting online was that more people could attend. The two European AMCF VPs, Rev Mike Terry (Western and Southern Europe) and Timo Vehvilainen (Northern and Eastern Europe) led the conference on the theme of "Refreshment and Renewal", based on Mark 6:31b (Come with me by yourselves to a quiet place and get some rest). 65 people from 23 countries participated - representing Albania, Austria, Bulgaria, Croatia, Czech Republic, Finland, France, Germany, Great Britain, Greece,

Hungary, Italy, Korea, Lithuania, Moldova, Netherlands, Poland, Portugal, Romania, Russia, Sweden, Ukraine, and USA. We were delighted to be joined by representatives of the Apostolat Militaire International (AMI), its President, Admiral (NL Rtd) Matthieu Borsboom, and three members of his exec committee from the Netherlands, Italy, and the USA. Another welcome guest was the new head of the UK's Christian Association of Police (CAP).

Despite all circumstances or maybe because of them, the participants were eager to get together, and were hungry for good Christian fellowship, even though it was online.

The Bible teaching took place over three main sessions:

1. Renewal and Refreshment – by Rev Mike Terry. The Christian life is anguish along with joy. It is hard to let go of our 'busyness' to spend time with Jesus. In addition to having daily quiet time, we need to have a dedicated time of retreat—a full day,

several days, a week—to get our spiritual batteries recharged.

2. What are you doing here? – by Rev Grozdan Stoevski. Six life lessons and questions to ponder upon, drawn from the story of the prophet Elijah on Mount Horeb (1 Kings 19:9-13). The questions we considered were: What are you doing here today? What is God calling you to do?
3. Prayer – by Timo Vehvilainen – experiencing the presence of God, with emphasis on the father-son relationship. Do you long for this relationship? Consider the story of the Lost Son (Luke 15:11-32) – the Father was looking eagerly for his younger son to return.

In addition to the main sessions, a highlight of EMCM 2021 was the break-out groups, led by some of the European MCF leaders. It was a time of refreshing and renewing in the Lord. Pray that the refreshing will continue to bring fresh inspiration and renewal to AMCF's work in Europe.

Croatia MCF film makers

In the last couple of months, the spread of the virus has started to decrease and many European countries have begun to relax some of the restrictive measures, which has enabled the MCF leaders to get back to business. A good example of this is the Croatian MCF who were able to hold their Annual Retreat in person at the Life Christian Centre, Crikvenica, near Riejka.

Drazen Hrženjak, leader of the MCF and MMI co-worker for the former Yugoslav republics, has been able to resume work on his second film which is dedicated to the foreign volunteers in the Yugoslav Wars of the 1990s. The group are delighted that they have managed to film the last scenes of the film in Vukovar (see picture), and they have started work on a third film, which is a short documentary about the chess tournament in Dubrovnik in 1991, where the main prize was 5 litres of drinking water!

Drazen's first film, Storm of the Soul, has been a huge success across Croatia and was broadcast on prime time National TV on the first Monday after the Western Easter. Millions have had the opportunity to hear the Gospel through the powerful testimonies of the main characters. Praise be to God! Storm of the Soul is also available on YouTube with English subtitles.

MCF Bulgaria has a problem!

The Bulgarian MCF has a problem, which is a great problem to have – it is running out of camo New Testaments and the Shield of Faith book! Both books have recently been re-discovered and greatly appreciated by the military medical community and senior officers. Join us in prayer for the resources for a new edition of both books. ●

Eswatini MCF revival prayer meeting.

LOOKING BEYOND THE PANDEMIC IN AFRICA EAST & SOUTH: SPOTLIGHT ON ESWATINI MCF

RTL AFRICA EAST & SOUTH MAX MUPONDI

RTL Max wanted to see what lessons could be learnt from lockdown: there were breakthroughs, but also setbacks and areas of no breakthrough. There is an ongoing need for spiritual warfare, and we need to know the way forward, and to see what we can carry beyond the lockdown.

The spotlight was put on the Eswatini Military Christian Fellowship (formerly Swaziland MCF) where, during this season, many military people repented and drew nearer to God, after reflecting on their calling and purpose.

The MMI E & S Africa team started

weekly prayer meetings via Zoom and allowed themselves to learn from the Holy Spirit new ways of conducting ministry, standing with military believers, encouraging prayer, teaching, and supporting them to serve the Lord, alongside service to their country. Free online tools such as WhatsApp chat groups were useful in sharing prayer requests and supporting one another. We learned to use Zoom to keep the team and people from various regions connected and to pray on a regular basis, with much greater impact. Many MCFs and Chaplaincies were revived, the Eswatini MCF is a

shining example of that. God kept a remnant there who prayed consistently and maintained their witness. Prayer was also rallied from outside through MMI Regional Prayer Meetings, the Regional Pray and Plan Group (RPPG) meetings, the German MCF Africa South Prayer Group meetings (all online) and the global intercessory prayer link.

It was difficult to grow the RPPG as internet access is an unaffordable luxury in many parts of Africa. Mobilising people for regular prayer was a challenge, as too was building relationships without meeting the people face to face. The pandemic brought even more suffering to people in conflict zones such as Somalia, South Sudan, the northern region of Ethiopia, and Mozambique (where Islamic terrorist attacks continue). Further suffering has been caused by the floods and mudslides in many parts of Africa South. The 'South African covid variant' wreaked havoc in the region and did not spare our contacts, many of whom repented and drew closer to God - the 'Rock of Ages cleft for me.' God gave some people strength to lift their voices in prayer and to witness, which resulted in many people giving their lives to the Lord. The hard-hearted often come to faith in times of trouble. This is the story of the Eswatini MCF, which is now actively undertaking outreach to other uniformed services. Many families suffered huge difficulties due to lack of food, unemployment, loss of breadwinners, a rise in domestic abuse and depression. The pandemic also gave rise to xenophobia, racism, poverty, politicisation of aid and religious hatred. The Chaplaincy and MCFs were often put under pressure as they rallied to support bereaved families unable to say goodbye or to

conduct decent funerals for their departed loved ones. The homeless, widows and orphans who would look to the church for love, care and acceptance were left exposed, as this support became unavailable. Many parents, especially from poorer backgrounds, felt ill-equipped to support their children with home-schooling. It will be difficult for such children to catch up with others. These issues will continue to affect individuals and families, so we will keep on praying.

As we seek to broaden our prayer base, the way forward will be to use budgeted funds to assist members who want to join our prayer channels but cannot afford to. We would love to see more internet access at cafés. Limited field trips will cut costs and be the new norm as most of our work will be online. We can also learn from Paul who wrote most of his epistles from prison, a form of lockdown. Paul did not stop but found new ways to carry on with his ministry. Writing during his two years of house arrest in Rome to the congregation he helped to establish at Philippi, he encouraged them saying, 'Grace and peace to you from God our Father and the Lord Jesus Christ.' Phil 1.2.

We will continue to pray for the Africa South Regional Conference planned to take place in Antananarivo, Madagascar in October. The decision will be made in June as to whether it will be a physical gathering for all, or physical only for local delegates with international delegates taking part online. We will continue to pray for the provision of resources for the conference, and for the mobilisation, registration and participation of key contacts in the region at both the conference and the interaction

afterwards. To maximise the opportunity of being in the region, MMI staff have planned visits to Eswatini, Tanzania and Kenya after the conference.

The East Africa Prayer Convention might be held towards the end of the year if travel restrictions are lifted. We need our supporters to with stand with us in prayer for the troubled spots of Somalia, South Sudan, Ethiopia, Mozambique, and also for the Africa Union Peace Keeping Mission. We will also pray for financial resources to support outreach missions, the introduction of online Alpha for the Forces and that the forthcoming launch of the East Africa digital Bible pilot programme will produce great fruit.

The Eswatini MCF provides evidence of answered prayers as God turned its mourning to dancing during the lockdown. This season has truly been a time of refreshing, reviving and rebooting prayer for individuals and groups. In April the Eswatini MCF conducted a week-long revival prayer meeting, which was attended by their Commander and senior officers. The final day saw delegates from the Police, Prisons and Fire services joining

the meeting with their commanders.

Paul's closing instructions to the Ephesians are relevant to us today: "Finally, be strong in the Lord and in his mighty power. Put on the full armour of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Put on the full armour of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints." Ephesians 6.10-18 NIV ●

Great joy to meet at last - Nigeria MCF Gathering

RTL WEST AFRICA - EDDY AMPONSAH

With great joy, the Nigerian Military Christian Fellowship (NMCF) held its first face-to-face gathering in April, the NMCF Annual National Convention. The Convention was the first significant in-person gathering of NMCF activities planned for this year.

"Members attending the Convention were enthusiastic after all the covid issues that have placed enormous restrictions on so many in-person interactions. With the partial easing on gathering restrictions in the country, it was such a huge relief and blessing to gather again to fellowship together". An NMCF leader

The convention was attended by those in high military command, including both the Nigerian Chief of Defence Staff and the Nigerian Chief of the Air Staff, as well as para-military dignitaries - showing the value the NMCF adds to the military and security service communities. It is also a testament to the grace and blessing of God on NMCF activities.

The theme of "Run the Good Race of Faith" from 1Tim 6:12 allowed delegates to focus on their family and ministry settings, and also on various areas of their careers. The convention offered a vital call for commitment in their faith in a time of global pandemic.

This Convention reminded members of the essence of our vision and mission as Christians, to continue the 'great commission' in the military and para-military community.

Because of the ongoing global health issues, we were not able to meet in the usual way, so the Convention went to a hybrid format, with some delegates attending in person and others joining via social media platforms. This format may become the new norm for MCF events.

This year's Convention also allowed the National Executives from the previous term to continue in office.

Praise be to God for the 2021 National Convention of the NMCF. Its immediate success reminded members of the responsibilities that await the NMCF and the roles each member has to play in fulfilling the mandate of the Lord, especially in these last days.

Members are relishing the gradual reopening of face-to-face interaction for fellowship, worship and prayer. ●

Exciting momentum in the Middle East

RTL MIDDLE EAST RICHARD MERYAN

We give thanks for the now not so new monthly 'Zoom-ins' for our Links across the region – Jordan, Lebanon, Syria, Iraq, Israel, West Bank, Egypt and Tunisia. Some join more regularly than others.

THE GATHERING: After months of regular zoom meetings with our links across the Middle East (ME), we wanted to hold an event that connected them to the wider MMI praying family, our ME RPPG, the MMI team ministering in other regions and MMI's UK and international supporters. 40 people joined the online Gathering in March, including the AMCF VP for the region, BGen Isam Oumeish, and

AMCF President, General Srilal Weerasooriya. It was very special having someone from Palestine and someone from Israel participating, greeting each other in Christian love and as Christian neighbours.

It was also an experiment to see whether such an event might be a better way of doing regional conferences in the Middle East. Historically, physical meetings have been onerous for our countries' representatives, especially to acquire the right visas, and almost impossible to get national permission and leave; planning such expensive get-togethers is challenging when servicemen cannot

guarantee having Leave approved far enough in advance to enable plans to attend.

So, THE GATHERING was effort-lite in comparison to our traditional 5-yearly meeting in Cyprus, and it was also cost-FREE.

Praise God – and now our Links are asking us to arrange a ‘Gathering’ twice a year, as well as the monthly online fellowship and prayer meetings. Things are moving!!

Alpha in the ME Region

We are excited that Rev Nabil Shehadi, the Alpha Levant Coordinator based in the region, will work with us to enable the Alpha courses to be used for both military and civilian groups. He will be masterminding this Alpha in Arabic roll-out for MMI from Beirut and Cyprus. Nabil is very enthusiastic about the Alpha programme and says:

(translation) “The Alpha Course is running in a military context in 60 countries. It is a pleasure to be invited by Richard Meryon to introduce Alpha to the MMI Middle East group. As an Alpha Coordinator in the MENA region, I have seen the course working in churches, schools and prisons; I look forward to seeing it serve the military in the region. After an Alpha introductory session on the 7th of May, another training session will be held on June 4th. The ME group has participants from Lebanon, Syria, Jordan, Palestine, Iraq, Egypt and Tunisia. Many of the country representatives are serving congregations as well as groups for military personnel. In consultation with the in-region co-worker, it was decided to include The Marriage Course and the Parenting Course in the training, as there is great need to support families in the communities the representatives serve. The Alpha Course (for adults) and the Alpha Youth Course (ages 14-18) are tools for evangelism and discipleship. The Marriage and Parenting courses are transformational tools for families and society. They also serve as “pre-evangelism” for families outside the fellowship, who might not be interested in exploring faith in the first instance but are interested in enriching their family life. Participating in these courses creates a positive connection with the community, which could lead to attending an Alpha course and faith in Christ.

Your prayers for the meeting on June 4th and the subsequent training session would be appreciated.” ●

S Asia: Standing in the gap, interceding for the nation

"I am burdened like Habakkuk and am calling out to the Almighty to intervene immediately." An MCF India leader.

In 2020 it appeared that the pandemic had by-passed S Asia. Yes, there were many COVID cases and some deaths. But compared to what was happening in Europe, USA and Brazil, it seemed S Asia was being spared. MMI co-worker Pastor Blesson was able to visit the NCO ministry in South India and some other limited visits took place.

All that has been turned on its head and the pandemic situation now in most of S Asia is dire. It's as though a

dark veil of sickness and death is covering the whole of the region. But the dark veil is holed and it appears as though vibrant shafts of intense heavenly light are penetrating the darkness.

We can give thanks to the Almighty for the shaking that S Asia is experiencing because of the glorious light at the end of the tunnel.

In the meantime, the poor in particular are suffering dreadfully. Their dead are being burnt on the streets and bodies are being flung into the holy rivers. The health authorities are overwhelmed and there are stories of suicides by medical staff.

We have heard of aid provided or offered by Christian organisations being turned down by local authorities. There are rumours of a black market in medicines, vaccines, face masks and oxygen. People are fearful. They lack good leadership. Hope has gone.

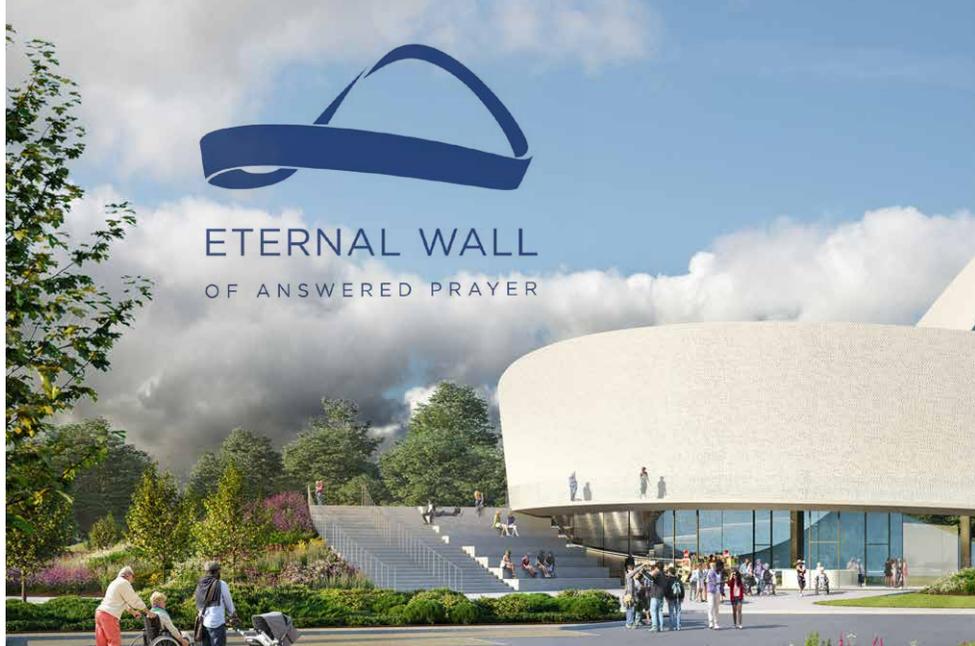

Without doubt the battle lines are drawn in S Asia. We are facing a titanic struggle for the soul of the region. In many areas the skirmishing both physical and spiritual, has already broken out. Many in the UK and across the world are on their knees praying. We have unconfirmed reports of idols being broken but also of about 2000 Christian leaders dead in India alone,

because of COVID. The real battle is in the heavenly realms.

This is a call to prayer. The Region of S Asia needs you. Equip yourselves to struggle and to fight and to pray and to pray, for "The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds." (2 Cor 10:4)

I firmly believe God is preparing our country for revival. Over a thousand prayer groups have started up across India praying relentlessly to the Almighty. Personally, I have started an online morning prayer group from 4AM to 8AM.

An MCF Indian Pastor. ●

Making hope visible

One Million Answered Prayers to collect – do you have one?

Have you heard about the Eternal Wall of Answered Prayer project? We asked Michelle who is working on the project to explain it:

"Eternal Wall of Answered Prayer will be a huge, thought-provoking piece of public art, aiming to kindle conversations about prayer. The iconic structure will be constructed using one million bricks, each brick featuring an answered prayer. This Christian landmark will make hope visible by digitally linking visitors with our database of one million answered prayers, using interactive technology and a bespoke app. Visitors will be able to use their smart device, holding it against any brick to read the individual answered prayer.

Built near Coleshill on the outskirts of Birmingham, Eternal Wall will stand at

169 feet, eclipsing the size of the Angel of the North, and is expected to attract 300,000 visitors each year. 500,000 journeys will see Eternal Wall every week from the M6, M42, HS2, and flight paths from Birmingham Airport.

We believe Eternal Wall will give people and communities hope that God hears them, answers prayer and can change circumstances. We would love visitors to be able to access answered prayers that demonstrate the full breadth of Christian experience; from different denominations, countries and points in history; workplaces and family situations. "

With a million answered prayer stories to find, they need to have yours if you have one. Sharing your answered prayer story is simple. There is a hyperlink on our website (www.mmi).

org.uk) so that people can directly submit their answered prayer. It's very important to START YOUR MESSAGE WITH #MMI and then in 500 words or less explain:

- what your situation was
- how you (or someone else) prayed
- how Jesus answered that prayer

Answered prayers will be displayed anonymously, with names changed to protect identities. You can upload photos (make sure you have permission from those featured) and voice recordings; video answered prayers (not anonymous) can be shared via email – details will be on the website.

You should also receive a certificate with both the logo of the project and the MMI logo!

The Eternal Wall team have also asked if MMI has any access to historical answered prayers, "as it would be wonderful to have some answered prayers from battlefield situations throughout history".

If you can help with battlefield answered prayers, please consider also submitting the prayer story to be featured in future editions of MMI News.

The intention of the organisers is to have a specific 'military community' area of bricks so the #MMI is important for your prayer to be in the military community and MMI area. Your prayer can be about anything.

Please pass this on to someone you know who might have a story to share

MISSION AND VISION STATEMENTS:

VISION

To see what God might do if every military Christian had someone to stand with.

MISSION

Helping Christians follow Jesus Christ in Armed forces around the world.

Despite COVID-19, the MMI team continues to:

- Meet via video conference weekly to pray, study the Word, encourage each other and plan ahead
- Maintain contact with our brothers and sisters in our regions to encourage and pray with them
- Seek the Lord for what he has for us in the months ahead
- Cherish our close friendships with our sister organisations ACCTS and MSO
- Explore how we can better use social media to reach even more military Christians with God's Word for them
- Consider how we will get back on mission when the Lord says, "Go!"

We are in no way downhearted but are rejoicing in the Lord's love and grace and are excited that he has called us to prepare and pray in these days for what He has called us to do downstream.

This is not wasted time – it is prayer and preparation time and the Lord is at work.

Want to support our work?

Prayer Support

Prayer is the foundation of everything we do in MMI and we have various ways to share and 'fuel' prayer. Here are some of them:

PrayerLink

Be a part of our e-mail PrayerLink. Urgent or immediate prayer needs and reminders to pray for planned activity are e-mailed in a short, succinct form, straight to you. To sign up, email prayer@mmi.org.uk to add your name to the MMI prayer support base.

TPB - The Prayer Brief (previously known as Quarterly Prayer Brief)

31 prayers covering ministry activities and regional needs for four months. One short prayer for each day of the month (current TPB June – Sep '21 available with the MMI News or from prayer@mmi.org.uk)

Pause for Prayer

Spring and Autumn (currently online) an opportunity to pray with those ministering in our regions. Next Pause for Prayer morning: Saturday 6 November 2021.

Annual International Prayer Day

Next one planned for 3rd July 2021.

More detailed prayer needs and answers to prayers are shared at our prayer days. Regional Team Leaders (RTLs) and MMI field workers brief on recent activities, difficulties and future plans; international guests are invited to provide in depth and contextual information on prayer needs.

Praying for a Region

If you would like to pray for a specific region (Africa, Europe, Middle East, S Asia) or a country within one of these regions, you can join a regional prayer group who meet to prayer together on-line, currently we have English, French, Portuguese and German speaking groups as well.

For more details on how to support MMI through prayer, look at our Prayer page on our website www.mmi.org.uk

We need both prayer and financial support to be able to continue our ministry to the military.

Financial Support

If you would like to support the ministry financially, even just £10 a month (by standing order) would make a huge difference to what we are able to do.

You can also donate a one-off gift through the mmi.org.uk website with give.net, or by bank transfer or by sending a cheque to the office. You can also designate a gift for any of the projects, activities or regions you have read about.

WAYS TO GIVE

Set up a **STANDING ORDER** via your online banking – you're in control of how much you give and when.

By **BANK TRANSFER**

Our bank details are:

Military Ministries International

Sort Code: 20-61-82 A/c No. 40127469

GIVE ONLINE: at www.mmi.org.uk

SEND A CHEQUE: payable to Military Ministries International.

LEAVE A LEGACY: If you wish to know more about leaving a gift in your will please contact us.

Your support, no matter how small can help us, through Jesus Christ, to give every military Christian someone to stand with.

Message from the MCF President of Mozambique to the German serving cadets and young officers Africa Prayer Group

"Peace warrior brothers and sisters from Germany! May God bless you. I call you warriors in prayer, because you have the strength to intercede for any brother who has problems or concerned, whatever it may be. Thank you, because I too, have felt the fire of your prayers. God richly and powerfully bless you." **Col Felicina.**

ACCTS Ethics Intern

Captain Aggrey Kajuba of Uganda has begun an internship in military Christian ethics with ACCTS, our partner organization in the USA. Capt Kajuba is a serving army officer, the secretary of the Uganda MCF and a volunteer pastor in Mutundwe Christian centre. He is developing relationships with military Christians worldwide, exploring the ethical challenges they face, and how they deal with them, to share with the Uganda MCF and to use throughout his future military career.

Pray for Aggrey in this exciting opportunity to learn about military ethics within a military context and to know how best to share that with those around him.

THE BIG MMI PICNIC!

Gather 2 or 3 people together and be part of The BIG MMI Picnic ... and we want a picture of you!

Everyone supporting MMI is organizing a picnic with their home groups or a group of friends. Just get a few people together on a patch of grass with some food to share and something to drink.

Then take the photograph!

Enjoy the food and company and give everyone an MMI News to take home.

Send a pic of your picnic or at least where you were picnicking to comms@mmi.org.uk

Enjoy the season and share your MMI stories

Digital Bible Initiative pilot in East Africa

MMI, ACCTS and US partners Faith Comes By Hearing (FCBH) are launching a Digital Bible Initiative to support MCFs and Chaplaincies be effective in their work, mission and outreach. The pilot project will be carried out in East Africa and the e-Bibles will be available in the main languages spoken in each country. Pray that this initiative will have a great impact and help grow God's kingdom and bring revival to both regions spearheaded by MCFs and Chaplaincies, and a harvest of souls to the glory of God.
